

Middlewich Town Council Press Release

Flying the Green Flag for Victory!

The Partners involved in the redevelopment of the Town's Park at Fountain Fields are delighted to announce the successful awarding the prestigious Green Flag Award.

It is very rare that such a Project receives such endorsement on its first accreditation, and this news is a ringing endorsement of the planning, collaborative working, community involvement and vision that has helped make such an impact.

The Green Flag Award is the benchmark national standard for publicly accessible parks and green spaces in the UK. The scheme was set up in 1996 to recognise and reward green spaces that met the laid down high standards.

It is also seen as a way of encouraging others to achieve the same high environmental standards , creating a benchmark of excellence in recreational green areas.

This awards is an astonishing achievement for the Project, the Partners and for the Town. Huge thanks to everyone who helped to create this beacon of excellence.

It's time to Party in the Park!
